This document is issued by the Company under its General Conditions of Service (available at http://www.sgs.com/terms_and_conditions.html). The Client's attention is drawn to the limitation of liability, indemnification and jurisdiction issues defined therein.

Any other holder of this document is advised that information contained herein reflects the Company's findings at the time of its intervention only and within the limits of Client's instructions, if any. The Company's sole responsibility is to its Client and this document does not exonerate parties to a transaction from exercising all their rights and obligations under the transaction documents. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law.

Relative performance apply in the determination of above test results. Also refer to ASTM D 2240-07Q2, (1) 14756 and applicable E or JF revised methods for sample handling for addition of test data to determine whether you wish specifications.
